2019 Three Point Shooting Contest Registration & Waivers

Cost: \$15

Rules:

Must be 16 and older. Participants attempt to make as many three-point field goals as possible from five positions behind the three-point arc in one minute.

Players begin shooting from one corner of the court, and move from station to station along the three-point arc until they reach the other corner.

Each shooting station has a rack with five basketballs; each ball worth one point. A perfect score is 25 points. In the qualifying round, each player has a chance to score as many points as possible. The three players with the top scores advance to the finals. The final round is played in the same way as the qualifying round. The final round will be shot in reverse direction. In the case of a tie, multiple extra rounds of 30 seconds (1 minute in the final) are played to determine the winner.
