 PRESCHOOL PROGRAM  
 2020-2021**

## Jordan Y Preschool Program

The Jordan Y offers one of the most dynamic preschool programs on Indy's north side. Preschoolers become instilled with the YMCA's philosophy of developing the *spirit, mind and body* of each individual and encouraging an atmosphere of cooperation and mutual respect for everyone through our four core values: *caring, honesty, respect and responsibility*. Your child will receive the very **best** in early childhood education at the YMCA. The YMCA Preschool Program *allows children to: Grow personally, clarify values, develop specific skills, improve personal and family relationships, and become better leaders.*

### Jordan Y Program Hours

AM Preschool Classes: 9:00 A.M. – 1:00 P.M. (Mon-Fri)

Enrichment Classes: 1:00 P.M. – 5:30 P.M. (Mon-Fri)

## Preschool Classes

### *Early Preschool*

Your child is invited to learn, share, make friends, enjoy stories, explore crafts, play games, and experience gym and music with this introduction to preschool. **Children must be 2 by August 1st.**

### *Preschool (ages 3-5)*

Welcome to the world of socialization, independence, and preparations for Kindergarten! Involve your child in language, music, art, science, math, swim and gym. It all adds up to an excellent introduction to being an individual as well as being part of a world filled with many wonderful people. **Children must be 3 by August 1st and potty trained.**

### *Enrichment*

Looking for a full day option? Our enrichment class extends the preschool day from 1-5:30 PM. During this time, children will have a quiet rest period. Then they will spend some time with their classmates and teachers in small group activities, play based learning, and gross motor play. **Children must be 3 by August 1st and potty trained.**

## Our Curriculum

Our core early childhood belief is that children learn best through play, and play is the legitimate and genuine work of young children. When children are engaged in purposeful play, they are discovering, creating, improvising, and expanding their learning. Our programs are structured so that children are active participants in their own development and learning. We observe and respond to children and help support their current skills and help scaffold them to reach the next milestone in their developmental journey.

We use the Creative Curriculum, which balances teacher-planned and child-initiated learning, emphasizing responsiveness to children's strengths, interests, needs, and learning styles. The curriculum includes activities such as dramatic play, language, science, math, social studies, music, art, and large and small motor development.

### Our Child Care Philosophy

The Jordan YMCA Preschool uses a developmental approach to caring and teaching young children. Our program offers opportunities for your child to explore, to make discoveries, and to use his/her senses and physical movement. Through hands-on activities children learn and develop at their own pace. Our center recognizes each child as an individual, expanding where they are, not where we want them to be.

### The YMCA Preschool Program

allows children to:

- Grow personally
- Clarify values
- Develop specific skills
- Improve personal & family relationships
- Become better leaders

### Membership for All

The YMCA is unique because your membership rates and program fees are based on total household income. The YMCA is able to offer this sliding fee scale thanks to the generous donors whose contributions enable us to live our mission of being open and accessible to all.
