

YOUTH DEVELOPMENT YMCA

HEALTH & SAFETY INFORMATION

SCREENING PROCEDURES

Participant temperatures will be taken upon arrival. Anyone with a fever of 100.4 or higher will not be permitted to stay in the program. Please keep your child at home if your child has a new or worsening cough, chills, shortness of breath, difficulty breathing, or has been exposed to someone with COVID-19 within the last 14 days.

UPDATED PROGRAM PROCEDURES

The following procedures are in place to help keep participants, their families, and our staff team healthy. Thank you for your support.

CURBSIDE DROP-OFF/PICK-UP

Please remain in your vehicle, and YMCA staff will meet you each morning for drop-off and afternoon for pick-up to help minimize contact.

FACE MASKS

YMCA staff will be wearing masks during the program. Participants may be asked to wear a mask during certain times. Staff will help direct when masks can be on and off.

HAND WASHING

Participants and staff will wash hands or use hand sanitizer upon arrival and frequently throughout the program.

PARTICIPANT GROUPS

Participants will be assigned to consistent groups during the program to minimize contact.

SOCIAL DISTANCING

YMCA staff are busy planning fun activities which will aim to keep social distancing as the best practice, while still allowing participants to socially interact.

PROGRAM SPACE

Groups will spread out in the program area and spend time outdoors to maximize social distancing. Surfaces and equipment will be sanitized regularly.

SAFE SPACE

There will be a designated area for participants displaying symptoms who are waiting to be picked up.

STAFF TRAINING

All YMCA staff will undergo training on COVID symptoms, screening, and safety measures.

Please note that procedures are subject to change based on new circumstances or updated recommendations from the CDC, local and state health departments, and the school district.
