

2021 ENRICHMENT & SPORTS CLINICS

SPORTS CLINICS

YMCA Sports Clinics help children develop tools and techniques for the specific sport. Clinics will include drills, skill development, learning the rules of the game, and actual play. Sports clinics are designed for all skill levels.

ARTRAGEOUS

Unleash your creative spirit! In this clinic, campers explore their creativity, get messy, and have fun creating art using a variety of art mediums.

BOWLING

This clinic is perfect for campers wanting to improve their bowling technique. Half the day is spent working on bowling skills at a local bowling alley.

CAN YOU BUILD IT?

Looking for a great STEM based summer experience? This clinic uses objects from around the house and camp to accomplish everyday tasks. Each day, campers learn basic engineering principles in a fun and engaging way!

CHOPPED JR.

What could be more fun than spending the day cooking with friends? This clinic is designed to teach basic cooking skills and kitchen safety tips. Grab your apron and let's get cooking!

CREATION STATION

If you think it, you can make it! Let your imagination soar in this week of creative and artistic fun. Campers have the opportunity to foster their ideas through the power of art with hands-on activities designed to spark curiosity.

CSI

Do you love solving mysteries? Spend the week searching for clues, learn investigating skills, and discover how detectives and forensic teams use science to solve crimes.

DEFY AIR

Jump, bounce and soar through the air at an indoor trampoline park. Keep your balance, don't look down, and enjoy the adventure as you defy gravity and conquer the course.

EQUESTRIAN

Saddle up for a week of fun! Come experience the joy of horses while learning the fundamentals of horseback riding and interacting with gentle horses at a local horse stable. Long pants and closed toe shoes are required. Helmets will be provided.

GOTTA CATCH THEM ALL

Discover the world of Pokemon! This clinic explores the different types of Pokemon, ways to battle, and how to become the best trainer. Please do not bring cards, electronics, or other Pokemon materials from home.

GROSSOLOGY

Roll up your sleeves and dig in as we get messy with this hands-on, goo-fest. Campers have fun creating wild and interesting science experiments.

2021 ENRICHMENT & SPORTS CLINICS

JEWELRY MAKING

Want to learn how to design and create your own jewelry? Campers make bracelets, earrings, and necklaces using a variety of materials. Express yourself through accessories!

JUMP BUNCH

Jump Bunch is a jam packed week of fun activities involving sports, fitness and active play.

LEGO

Do you LOVE to build with LEGO bricks? This educational clinic takes science and building concepts and applies them in a fun way.

MAD SCIENTIST

Come explore the fun and wacky world of science! Campers will complete a variety of experiments exploring different substances, states of matter, chemical reactions, and more!

MARTIAL ARTS

Join Crouching Tigers for a week of martial arts that offers more than just kicking! Campers will learn basic martial arts skills, YMCA Core Values, and end the week with a board breaking ceremony!

MINI GOLF

Swing away this summer! Time to tee up and hit the green. Learn the basics of mini golf in this fun filled clinic and work towards getting a hole-in-one!

POTTERY

A clinic filled with hands-on creativity, fun and imagination! Campers will create wonderful works of art as they explore the tools, techniques, and processes needed to work with clay.

PRINCESSES & KNIGHTS

Here ye, here ye! Calling all royalty! Join us for a magical week of chivalry and surprises as we learn what it takes to be truly royal!

ROCK CLIMBING

Reach new heights and challenge yourself this week as you scale walls and develop your climbing skills at a local rock climbing facility!

SHOW CHOIR

Do you have a passion for singing and performing? We put music in motion as you learn songs and basic choreography! Campers will end the week with a Friday performance.

SKY ZONE

Jump around this summer and join us for a week of bouncing fun! Campers will jump for at least 2 hours per day at Sky Zone.

WATER, WATER EVERYWHERE

Splish, splish, splash your way into this super soaking week! Campers will spend their week participating in water-based activities, group games, and water sports.
